Notice to Owners / Residents

Regarding Parking Regulations

All residents are reminded that **PARKING ON THE EASTSIDE OF BROOKHAVEN IS PROHIBITED**. Due to the narrowness of the street, members are asked for cooperation in keeping the roadway clear for traffic, *especially emergency vehicles and snow plows*. For the safety of all concerned, **PLEASE REMIND YOUR GUESTS** to park in accordance with these posted rules.

Also, the overflow parking areas on Arlington and Kauffman are designated for **GUEST PARKING ONLY** and should not be used for storage of additional vehicles or trailers. During heavy accumulation of snow, these areas may be used to pile the snow.

Should you have questions regarding parking in Camden Place, please contact ASI, our management company, or Neil Krause, HOA President at 208- 262-9645. The website is another excellent source of information for our community.

Respectfully,

The Board of Directors
Camden Place 1st Addition HOA
